

Marine fuels Service you deserve

Your vessels don't only work Monday through Friday – and neither do we! Our 24/7 safety commitment ensures your vessels are taken care of by the best in the business.

Operational excellence

- **Reliable supply** – From our state-of-the-art refinery in Saint John, NB, a dedicated fleet of truck, rail and marine vessels deliver products when you need them, where you need them.
- **Diverse network** – We can serve you in all four Atlantic provinces. Our fast-flowing pipelines in Saint John, Halifax and St. John's get you topped up quickly and on your way. Plus our barge service in the Saint John harbour delivers our RMG 380 and MGO directly to you, whether you're at anchor or in a berth.

The products you need

- **Quality products** – Irving Ultra Low Sulphur, lubricating MGO is seasonally adjusted for temperature conditions and meets or exceeds the following specifications: MARPOL, Canadian Naval specs for Naval Distillate Fuels, CGSB 3.11 Type 11 & Type 15.

A team on your side

- **Customer focus** – Our commitment to you is a part of who we are as a company. Since 1924, customer focus has been one of our guiding principles.
- **People you trust** – Our responsive local team understands the market, provides technical support and is dedicated to serving you. Ask about our full line of Marine Grade Lubricants and DEF.
- **Customer support** – We have a Customer Support Team available to take care of your needs, answer questions or quickly fix issues – anything to make sure your business runs smoothly.

A focus on quality

- **Quality focus** – We test all raw materials and finished products to ensure our customers receive high-quality, dependable products.

Four quick questions to get us started

1. What types of fuels are you most interested in?
2. Do you need DEF or lubricants?
3. Where is the best location for you to pick up?
4. How can we better assist you with your fuel needs?
